D365 Finance Functional Consultant (CPA-K)

+ Company Overview: [Software Dynamics](#)

Software Dynamics is a leading Microsoft Dynamics Implementation and Consulting Partner based in Nairobi, Kenya. We specialize in delivering sophisticated Enterprise Resource Planning (ERP) and Customer Engagement (CE) solutions built on the Microsoft stack, empowering businesses across Africa. We are an elite Microsoft partner dedicated to large-scale enterprise solutions and a technically driven work culture.

Position: [D365 Finance Functional Consultant \(CPA-K\)](#)

Location: Nairobi, Kenya

Employment type: Full-Time

Application Deadline: 14 May, 2026

[Role Overview](#)

We are looking for a Finance Consultant who bridges the gap between accounting excellence and technical execution. As a **CPA-K holder**, you will ensure that our D365 Finance implementations adhere to Kenyan and international accounting standards.

+ [Key Responsibilities](#)

- Lead the implementation and configuration of D365 Finance modules (General Ledger, AP, AR, Fixed Assets, Tax).
- Map business financial processes to D365 standard features.
- Ensure compliance with local statutory requirements (VAT, WHT, Payroll taxes) within the system.
- Conduct User Acceptance Testing (UAT) and provide training to end-users.

+ [Qualifications](#)

- Fully qualified CPA-K.
- Bachelor's degree in Finance, Accounting, or a related field.
- Prior experience with ERP systems (Dynamics 365, Business Central, or SAP) preferred.
- Strong analytical skills with the ability to translate complex financial needs into system requirements.

+ Benefits and Perks

- **Competitive Compensation:** Performance-based package with attractive commission structures.
- **Health & Wellness:** Comprehensive health coverage and generous paid time off.
- **Professional Growth:** Continuous investment in professional development and Microsoft sales certifications.
- **High-Performance Culture:** Join a collaborative environment working on the most significant digital transformation projects in the region.
